**RW**

Consultation; What do Stonehouse people want? What are their concerns? Many have lived in Stonehouse for generations and many are new to the town, we need a mix on the NP group.

Carol to draft a questionnaire.

**CK**

Grant up to £5000 to pay for consultation on submission of Neighbour hood Plan designated area. Clare to ask Gill Jennings to apply to SDC for the grant.

**CS**

Money is needed for questionnaires, estimated cost £300

How will the grant be managed. Clare to talk to Gill. Will we have to go through F&S. Could TC make an approval for a certain amount to be used going through Gill, without having to keep going back to Council for permission?
