- TC2743 To approve the minutes of the Meetings of the Town Council held on 24th January 2021
- TC2744 To approve the following draft Town Council response to Stroud District Council's economic development strategy consultation as recommended by Environment Committee (Agenda Item E/464):

'The draft Economic Development Strategy is welcomed and the vision and economic objectives and commitments are supported.

The three priority sectors selected for the Stonehouse cluster are relevant to the town. The Town Council would also like recognition of the potential to develop different sectors of the economy in Stonehouse. For example, there are opportunities to develop the tourism and visitor economy sector in Stonehouse which has good public transport links and is on a Sustrans National Cycle Route.

It is suggested that the Economic Development Strategy gives greater emphasis to the potential of the Cotswold Canals Connected project to bring tourism and visitors to all the settlements along the canal'.
