

STONEHOUSE

TOWN COUNCIL

Minutes (subject to agreement at the next Committee meeting) of a meeting of the **Town Environment Committee on Monday 29th April, 7pm at Stonehouse Library, High Street, Stonehouse, GL10 2NG.**

Present:

Councillors: Rachel Armstrong, Marcus Dixon, Carol Kambites (Chair/Town Mayor), Keith Terry (Committee Vice Chair) and Theresa Watt.

Also present: Jacqui Sanders (Deputy Clerk), John Parker

Due to the absence of the Committee Chair, Neil Gibbs, the meeting was chaired by Keith Terry (Committee Vice Chair).

Attendees are reminded that the Proceedings of this meeting may be filmed, photographed, or recorded.

E/772 To receive apologies.

Apologies were received from Cllrs Deborah Curtis, Neil Gibbs (Committee Chair) and Val Randell.

E/773 Declarations of Interest

There were no declarations of interest.

With agreement of Council, the Chair brought forward agenda item E/788.

E/788 To consider the planting of a Gernika Oak on the Memorial Green.

John Parker explained the significance of the Gernika Oak and that it was a symbol of freedom and peace.

Committee APPROVED the recommendation to Full Council the planting of a Gernika Oak on the Memorial Green subject to:

1. Written confirmation from Historic England and Stroud District Council Planning Department.
2. Consultation with residents.

7.15pm John Parker left the meeting.

E/774 To approve the minutes of the Town Environment Committee meeting held on Monday 25th March.

Committee APPROVED the minutes as a true and accurate record of the meeting.

E/775 To receive the latest updated Environment Budget.

Committee NOTED the updated report showing a total 'Actual Net' Income of £2,049.64; 'Actual Net' Expenditure of £78,245.42 and Reserve Expenditure of £5,191.70

STONEHOUSE

TOWN COUNCIL

E/776 To consider approval to approach local businesses regarding the Stroudwater station to get match funding for the next study, subject to a positive response from the Department of Transport.

Committee APPROVED the proposal to approach local businesses in the previous Environment Meeting, Agenda item E/786.

E/777 To consider recommending Stonehouse becoming part of the Safe Space Scheme.

Committee RECOMMENDED that the Town Council become part of the Safe Space Scheme and to approach local businesses to join.

E/779 To receive an update on the play areas.

Update was received on the play areas.

1. New toddler/baby swing seats installed in Oldends Lane and Meadow Park.
2. New inclusive swings installed in Laburnum Park.
3. ROSPA annual play inspection has just been undertaken.
4. Committee agreed that any new play equipment should be inclusive.

E/780 To consider a response to Careplus Pharmacy.

Committee CONSIDERED a response to Careplus Pharmacy to support the proposal for an additional pharmacy in Stonehouse.

E/781 To approve a contractor to undertake the tree works identified in the recent tree inspection.

Committee APPROVED the recommendation for Midland Forestry to undertake the necessary tree works, with the addition of the removal of an overhanging branch in Old Chapel Gardens.

E/782 To comment on planning applications.

S.24/0563/HHOLD Whispers, St Cyril's Road, Stonehouse

Erection of a first-floor side extension over existing garage.

Comment: No objections as long as none from neighbours.

S.24/0577/HHOLD 8 Juniper Way, Stonehouse

Erection of a single storey side / rear extension, loft conversion with dormer.

Comment: No objections as long as none from neighbours.

S.24/0650/REM Parcel LC1 Land West Of Stonehouse, Grove Lane, Westend, Stonehouse.

Reserved Matters application for a Local Centre (Use Classes E(a), E(b), E(c), E(g) and/or (Sui Generis) pursuant to outline planning permission S.14/0810/OUT including details of landscaping, design, scale, and layout.

STONEHOUSE

TOWN COUNCIL

Comment: No objections but Stonehouse Town Council would like to see:

- Solar panels on the roof of the building and bike rack
- Pedestrian access from the school
- More electric charging points
- Permeable outdoor surfaces
- Proper screening of land with hedges and trees

S.24/0648/REM Parcel E5, Land West Of Stonehouse, Rowbotham Way, Great Oldbury,

Reserved Matters application for a proposed employment development (Class E(g)/B2/B8) pursuant to outline planning permission S.14/0810/OUT including details of landscaping, design, scale, and layout.

Comment: No objections but Stonehouse Town Council would like to see:

- Solar panels on the roof of the building and bike rack
- More electric charging points
- Permeable outdoor surfaces
- Proper screening of land with hedges and trees
- Improvement to PROW
- Noise reduction conditions need to be imposed.

S.24/0649/REM Parcel E5, Land West Of Stonehouse, Rowbotham Way, Great Oldbury

Reserved Matters application for a proposed employment development (Class E(g)/B2/B8) pursuant to outline planning permission S.14/0810/OUT including details of landscaping, design, scale, and layout.

Comment: No objections but Stonehouse Town Council would like to see:

- Solar panels on the roof of the building and bike rack
- More electric charging points
- Permeable outdoor surfaces
- Proper screening of land with hedges and trees
- Improvement to PROW
- Noise reduction conditions need to be imposed.

S.24/0647/REM Parcel E4 Land West Of Stonehouse, Great Oldbury Drive, Great Oldbury

Reserved Matters application for a proposed employment development (Class E(g)/B2/B8) pursuant to outline planning permission S.14/0810/OUT including details of landscaping, design, scale, and layout.

Comment: No objections but Stonehouse Town Council would like to see:

- Solar panels on the roof of the building and bike rack

STONEHOUSE

TOWN COUNCIL

- More electric charging points
- Permeable outdoor surfaces
- Proper screening of land with hedges and trees
- Improvement to PROW
- Noise reduction conditions need to be imposed.

S.23/2172/FUL 29 Gloucester Road, Stonehouse

Erection of an external staircase and a replacement staff / storeroom.

Comment: No objections as long as none from neighbours.

S.24/0691/P14J Delphi Diesel Systems Ltd, Brunel Way, Stonehouse

The installation of 3,745No. roof mounted solar PV panels of total installed capacity 1.6MWp.

Comment: No objections. Stonehouse Town Council fully support this application.

S.24/0657/HHOLD 20 Melbourne Drive, Stonehouse

Erection of a two storey extension.

Comment: No objections as long as none from neighbours.

E/783 To receive Working Groups updates. Members may wish to note any reports from the following:

Comms - Not met.

Stroudwater (Bristol Road) Station - Met with Hugh Merriman (Railways Minister) and Siobhan Baillie. No decisions were made.

Canal Rejuvenation - A meeting is to be arranged with Robert Hitchins.

Transport and Highways - Not met.

Public Rights of Way - Town Green application ongoing.

Recreation - Not met.

E/784 To receive a report on planning decisions received from Stroud District Council.

Committee NOTED the latest planning decisions.

E/785 To approve communications in support of the meeting's decisions.

Safe Space information to be shared.

E/786 Date of next Environment Committee meeting: Tuesday 28th May 2024.

Committee NOTED the date of the next meeting.

Financial Budget Comparison

for Town Environment Committee

Comparison between 01/04/24 and 21/05/24 inclusive. Includes due and unpaid transactions. Includes commitments.
Excludes transactions with an invoice date prior to 01/04/24

the-safety-bill-updated ESF.pdf; Fires May 2024.xlsx; Logos May 2024.mhtml;

Jacqui – are you in a position to add this to the EC agenda??

Gary – makes interesting reading – most if not all record battery fires have been connected to bikes and scooters. I wonder how we should read this re our own equipment?

Carlos Novoth
Clerk to Stonehouse Town Council

To: BAILEY, Ron <ron.bailey@parliament.uk>

Subject: FW: Safety of Lithium ion Batteries and e-bikes and scooters

Dear Local Council

I am writing to ask your Council to support our campaign to improve the safety of lithium batteries (used in e-bike and e-scooters) and their disposal.

Let me begin by introducing myself. I am the researcher for Lord (Don) Foster (hence my email address), who has been campaigning on this issue in the House of Lords. I am also the parliamentary advisor to Electrical Safety First, a UK Charity dedicated to reducing the deaths and injuries caused by electricity.

As you will probably know lithium battery fires are on the increase – there have been over 1000 in the past few years, nearly 200 injuries and a dozen fatalities. Homes have been destroyed. The cost to the UK runs into £billions. You will doubtless know of examples in your area. I attach a spreadsheet of some recent fires – as you will see there have been some in your area.

Lord Foster and Electrical Safety First are promoting the attached Bill (a summary of which is included at the end of this email) to ensure greater safety in the use and disposal of lithium batteries and are aiming to get it into law as soon as possible. It has its First Reading on 5th June.

We have the support of many national organisations, as the attached logos show – including the National Fire Chiefs Council, the Association of Ambulance Chief Executives, the Royal Society for the Prevention of Accidents and the Royal Society for Public Health. In addition 2 coroners have called for the law to be tightened to ensure greater safety.

We are now contacting more locally based organisations, and it would be great if your Council was able to support this campaign. It would be a great boost.

Please do get in touch if you require any further information.

I look forward to hearing from you,

Yours sincerely,

Ron Bailey

PS Don't worry if you are not meeting before June 5th. That is only the 1st Reading – other stages will follow, so you won't be too late. Your support will be valuable at any time.

Clause 1 would require third party *independent* approval-testing for e-bikes, e-scooters and their batteries before entering the UK market.

Clause 2: incidents of fires and harmful fumes resulting from lithium-ion batteries in waste vehicles and landfills are increasing. There are reportedly more than 200 landfill fires annually, making up 48 percent of all fires, costing £158 million and contributing significantly to pollution. This clause requires the government to establish regulations for the safe disposal of used lithium-ion batteries.

Clause 3 addresses specific fire concerns, ensuring safer access, charging, and storage of lithium-ion batteries. While an outright ban is suggested by some, conversion kits remain a financially practical solution, especially for gig economy workers reliant on sustainable transportation. Implementing a standardised approach to kits could establish design and installation controls, mitigating foreseeable risks.

The Safety of Electric-Powered Micromobility Vehicles and Lithium Batteries Bill

A Bill to make provisions regarding the safety of electric-powered micromobility vehicles and of lithium batteries; to give duties to the Secretary of State regarding those matters; and for connected purposes.

1. The safety of electric-powered micromobility vehicles and secondary lithium-ion batteries used to power such vehicles

(1) No person shall after 31st August 2025 place on the UK market any electric-powered micromobility vehicle or a secondary lithium-ion battery used to power such vehicles unless –

(a) conformity assessment procedures have been carried out by a conformity assessment body ('CAB') authorised by the Secretary of State to carry out such assessments; and

(b) the manufacturer has drawn up the technical documentation and declaration of conformity; and

(c) the electric-powered micromobility vehicle and the battery used to power such vehicles bear the CE or UKCA mark to demonstrate conformity with designated or harmonised standards.

(2) The Secretary of State must within 6 months of the passing of this Act publish a list of CABs recognised as being able to carry out conformity assessment procedures pursuant to subsection (1).

(3) Where in the opinion of a CAB, a product covered by this Act has successfully met the essential safety requirements of applicable regulations, it shall issue a certificate of conformity to the manufacturer.

(4) Where a certificate of conformity has been issued pursuant to subsection (3) a manufacturer must display a CE or a UKCA mark on any product covered by this Act before it is placed on the UK market.

(5) No person shall display a CE or a UKCA mark on any product covered by this Act unless a certificate of conformity has been issued for the product given in accordance with this Act.

2. Disposal of Secondary Lithium-ion Batteries

(1) The Secretary of State must, within 6 months of the passing of this Act, make regulations regarding the safe disposal of lithium batteries.

(2) The regulations made pursuant to subsection (1) may include a requirement for sellers of such batteries to:

(a) Display a prominent warning about the dangers of improper disposal of lithium batteries not in accordance with those regulations; and

(b) Attach as part of the sale

- (i) Information regarding the cell chemistry of lithium batteries and;
- (ii) information regarding the safe disposal of such batteries.

3. Duties of the Secretary of State

(1) (1) The Secretary of State must, within 12 months of the passing of this Act, make regulations

- (a) Specifying safety standards for micromobility vehicle conversion kits and associated components; and
- (b) Requiring that all micromobility vehicles have either
 - (i) a non-proprietary charging system with a communications protocol;
 - or
 - (ii) a proprietary charging system with a matched charger

and such regulations may include details of the means by which those standards will be enforced and the penalties for failing to comply with those standards.

(2) The Secretary of State must within 6 months of the passing of this Act consult such persons as he considers have an interest in this matter on whether to implement an interim measure which prohibits the sale of universal chargers for electric-powered micromobility vehicles until such time as the regulations detailed in (1) (a) or (1) (b) come into force.

4. Offences

Any person who fails to comply with the terms of this Act commits an offence.

5. Interpretation

In this Act, the following terms have the following meanings:

- 'Electric-powered micromobility' means electric scooters or electric bicycles powered by secondary lithium-ion batteries, as defined in the Department of Transport 2020 publication 'Future of Transport Regulatory Review Moving Britain Ahead Call for Evidence'.
- 'A lithium battery' is a non-rechargeable battery with lithium as an anode.
- 'A secondary lithium-ion battery' is a type of rechargeable battery in which the main reaction is the transport and intercalation of lithium ions into the cathode and anode respectively as defined in the BEIS Research Paper No 2020/037 entitled 'Domestic Battery Energy Storage Systems A Review of Safety Risks'.
- 'A proprietary charging system' comprises of a manufacturer specified plug and socket system designed only to operate in combination with each other.

- 'A non-proprietary charging system' comprises of a non-manufacturer specified plug and socket system consisting of a standardised plug and socket and a communications protocol.
- 'A communications protocol' is a set of formal rules describing how to transmit or exchange data.
- 'A CE marking' means a mark consisting of the symbol "CE" set out in the form specified by the Secretary of State in regulations made pursuant to this Act.
- A 'UKCA' marking is a UK Conformity Assessed marking displayed in the form specified by the Secretary of State in regulations made pursuant to this Act.
- A conversion kit is the electrical drive train, battery and charging system, that is fitted to a regular pedal bicycle to convert it to an electric bike.

6. Regulations

(1) The Secretary of State must, within six months of the passing of this Act, make regulations specifying:

(a) Any amendments to the definition of the term 'electric-powered micromobility' that, in the Secretary of State's opinion, are necessary.

(b) The penalties that shall apply to breaches of this Act.

(2) Regulations under this Act shall be made by statutory instrument pursuant to the negative resolution procedure.

7. Extent, Commencement, and Short Title

(1) This Act extends to the whole of the UK, subject to resolutions being passed by

- (a) The Scottish Parliament;
- (b) Senedd Cymru;
- (c) The Northern Ireland Assembly

applying it to their respective countries.

(2) This Act comes into force on the day on which it is passed.

(3) This Act may be cited as the Safety of Electric-Powered Micromobility and Lithium Batteries Act 2023."

FW: Virgin Media Cabinets

Town Clerk <townclerk@stonehousetowncouncil.gov.uk>

Wed 15/05/2024 15:13

To: Deputy Clerk <deputyclerk@stonehousetowncouncil.gov.uk>

Jacqui

Can you please run this past Environment Committee – my guess is that they may well need additional information – if so, at least we will have something to go back to the company with. Thanks

Carlos Novoth

Clerk to Stonehouse Town Council

01453 822070

From: Matthew Caddell <Matthew.Caddell@ejccontracts.com>

Sent: Wednesday, May 15, 2024 1:24 PM

To: Town Clerk <townclerk@stonehousetowncouncil.gov.uk>; Tom Hacker <tom.hacker@virginmedia2.co.uk>

Cc: Caitlan Lappin <caitlan.lappin@ejccontracts.com>; kate.north@virginmedia2.co.uk

Subject: Re: Virgin Media Cabinets

Afternoon Carlos,

As per our call, the reason we have requested to location this cabinet on the land below is to support the proposed local investment in the Stroud/Stonehouse area from Virgin Media/NexFibre to provide gigabit enabled broadband to residents should they wish to avail of the service.

There is also a need to access this cabinet safely for maintaince meaning we limited in were we can put it. We identified this location as it was owned by the local Town Council who we tend to see in other areas are extremely supportive of improving key services for residents.

Can I ask at the earliest convenience you could present this to the environment committee (I believe you said there would be a meeting in late May) for approval.

Look forward to hearing from you soon.

Matthew Caddell

From: Town Clerk <townclerk@stonehousetowncouncil.gov.uk>**Sent:** 15 May 2024 13:01**To:** Matthew Caddell <Matthew.Caddell@ejccontracts.com>**Subject:** RE: Virgin Media Cabinets

Dear Mathew

Thank you for your email.

I am somewhat a little surprised by the limited information you have provided in support of your request. The town council is not necessarily minded to site yet a further cabinet on the town green and would need good justification to agree to such a request.

Carlos Novoth
Clerk to Stonehouse Town Council
01453 822070

From: Matthew Caddell <Matthew.Caddell@ejccontracts.com>**Sent:** Wednesday, May 15, 2024 10:51 AM**To:** Caitlan Lappin <caitlan.lappin@ejccontracts.com>; Town Clerk
<townclerk@stonehousetowncouncil.gov.uk>**Subject:** Re: Virgin Media Cabinets

Morning Carlos,

Aoiffe has now gone on maternity leave.

Can I ask what you mean by a more fuller proposition?

The cabinet require is to support gigabit enabled full fibre broadband to the stone house area.

They are sized in a way that they are below the threshold of permitted development

Look forward to hearing from you.
